Dr Bob's Four Reasons

“I spend a great deal of time passing on what I learned to others who want and need it badly. I do it for four reasons:

1. Sense of duty.
2. It is a pleasure
3. Because in so doing I am paying my debt to the man who took time to pass it on to me.
4. Because every time I do it I take out a little more insurance for myself against a possible slip.”
